

Set up Exchange ActiveSync at iPhone, iPad, iPod Quick Guide for MISC BERHAD

4. Sync your content

You can sync Mail, Contacts, Calendars, Reminders, and Notes. When you're finished, click Save.

5. Edit your Exchange settings

Go to Settings > Mail, Contacts, Calendars, select your Exchange account, and click Account Info. You can also go here to set up automatic out-of-office replies and change how often you want Mail to sync (the default is 7 days).

6. View of Outlook from iPhone
